

Week 38

“WHY ARE SO MANY CHRISTIANS SUCH HYPOCRITES?”

Question: If Christianity is true, why are there so many Christians whose lives look no different than those of non-believers?

Text: James 2:14-26; 1:13-16

Answer: Because every Christian still has a sin nature, hypocrisy is indeed a reality in everyone's life. No Christian is capable of living a perfect, sinless life; therefore, every Christian will inevitably fall short of God's glory. However, the Bible warns repeatedly about those who claim to be Christians, yet are not.
